

# Downtown Copenhagen Apartment for rent

Toldbodgade 14 B, 2<sup>nd</sup> floor, 1253 København K

We will be living in Brussels between the 21<sup>th</sup> of April and the 31<sup>st</sup> of July 2010, and therefore are looking to sublet our apartment for this time period.

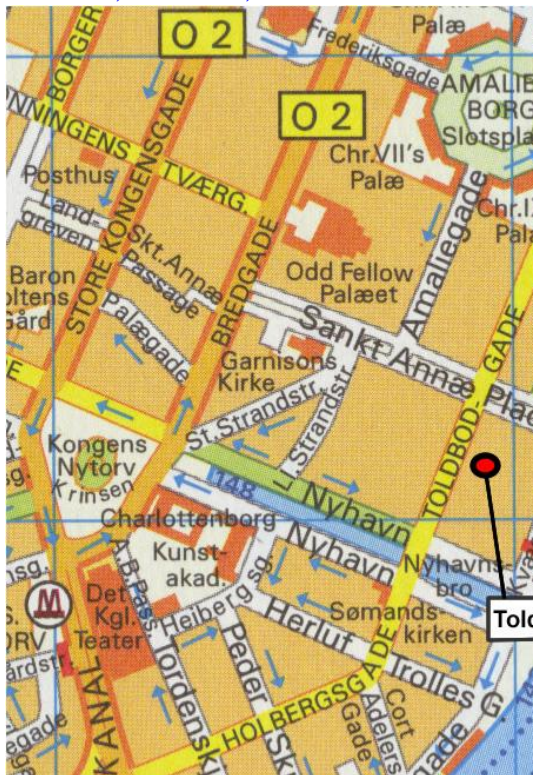

The location is very central and charming, in the old but trendy harbour area. The canal "Nyhavn" with its old warehouses, wooden sail ships, restaurants and cafés is around the corner. The apartment is situated a short walk away from the Royal Palace, The Ballet, The Royal Theatre and the main pedestrian shopping streets - from here all the main attractions of Copenhagen can be reached by foot. There are also two beaches a 15 - 20 minute bicycle ride away.

The apartment is 134 sq meters and occupies the entire second floor of a building from 1850. The apartment is fully furnished; it includes 1 kid's bedroom, 2 adult bedrooms with double beds (can be separated), an office, a laundry room with a washing machine, a dining room and living room connected by French double doors and a cosy well equipped kitchen including a dishwasher. In addition to the above, the couch converts to a comfortable double bed, so that in total 6 adults can sleep in the apartment. There are two bathrooms with shower, sink and toilet. There is a projector, stereo and a 2 meter wide screen in the living room. The apartment has cable TV and 12 Mb wireless Internet.

Price is 10.000 Dkr. /month + utilities.
